

PICSCIENCE FUTURE FINDER

Scholarships & Opportunities for Students and families across South Alabama.
Helping students discover college funding and career opportunities.

Scholarship Application Checklist

Before applying, students should make sure they have these ready.

Before You Apply

Decide which colleges, trade schools, or programs interest you.

Gather key information (GPA, activities, volunteer work).

Ask teachers early for recommendation letters.

Required Items

Official transcript

Recommendation letters

Personal statement or essay

List of extracurricular activities

FAFSA or financial aid documents if required

After Submitting

Check for confirmation emails

Track additional deadlines

Follow up politely if materials are requested

Pro Tip: Students who apply to 3-5 scholarships per month greatly increase their chances of winning funding.
